

VINO VERNACULAR

Troon Vineyard

March 2010

Volume 3, Issue 14

In this issue:

Big Words From Sunset Magazine

We've been saying it for years but when a long standing, nationally distributed magazine with a HUGE fan base says the same thing & puts you on the "it" list for 2010, it gives our biased boasting some street cred.

"The next big wine country: Southern Oregon

Why we love it: Exciting wines, no crowds, and inexpensive tasting fees.

Go now: Arm yourself with a map from the Southern Oregon Winery Association and hit the road.

The inside scoop: Head to the smallest, newest wine region here—**Applegate Valley** (part of the larger Rogue Valley)— to get your palate calibrated. Abacela, **Troon**, and Schmidt Family Vineyards are setting the bar high."
